

# AS-Interface Product Overview

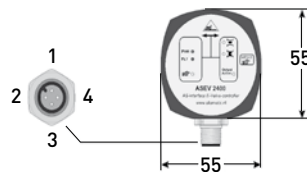

## The simple system solution

### AS-Interface for electric rotary actuators

Code	Actuator	Quantity
199.190.562	EA 11/21/31/42	

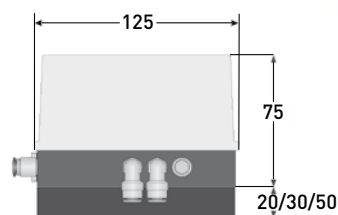

- integrated control and electric feedback
- manual operation as a standard
- for 24 V DC actuators
- extra power supply required (black cable)
- optical status indicator
- AS-Interface Version 3.0 (up to 62 slaves)

### AS-Interface for pneumatic rotary actuators

Code	Actuator	Quantity
199.190.560	PA 11/21 (FC/FO); PA 30/35 (FC/FO)	
199.190.566	PA 11/21 (DA); PA 30-45 (DA)	
199.190.565	PA > 35 (FC/FO)	
199.190.567	PA > 45 (DA)	

- integrated pilot valve (5/2 way) and electric feedback
- full plastic housing
- supplied with NAMUR mounting plate (plastic)
- optical status indicator
- AS-Interface Version 3.0 (up to 62 slaves)

# AS-Interface

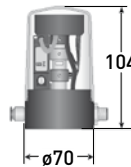

## Product Overview

### AS-Interface for pneumatic stroke actuators DN15-DN50

Code	for actuator	Quantity
199.190.456	DIASTAR 028 FC DN15-25	
199.190.457	DIASTAR 028 FC DN32-50	
199.190.456	DIASTAR 025 FC/FO DN15-20	
199.190.467	DIASTAR 025 FC/FO DN25-32	
199.190.468	DIASTAR 025 FC/FO DN40-50	

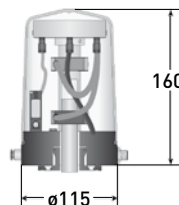

- integrated pilot valve (3/2 way)
- full plastic housing
- compact design
- for FC/FO actuators
- optical status indicator
- AS-Interface Version 3.0 (up to 62 slaves)

### AS-Interface for pneumatic stroke actuators DN65-DN150

Code	for actuator	Quantity
199.190.458	DIASTAR 025 FC/FO DN65-150	

- integrated pilot valve (3/2 way)
- full plastic housing
- compact design
- for FC/FO actuators
- optical status indicator
- AS-Interface Version 3.0 (up to 62 slaves)

### For feedbacks

for valves 199.190.568	for sensors 199.190.569
with integrated feedback, e.g. ball valve, butterfly valve	with switching output, e.g. for level switch, flow switch, pressure switch, temperature switch
